**8. Mayor's Comments and Members Topics & Concerns**

Deputy Mayor Anoe Jr:

- Gives thanks to Hamlet Staff for their hard work and quick move to the new office building.

Councillor Mikeeuneak:

- When is the Grand Opening for the new hamlet office? Can one of the Reverend or Preachers do the prayer for the opening?
  - Mayor's response: it's up to the Premier's officer, waiting on his travel plans as he wants to come to it. Perhaps the 3<sup>rd</sup> week of November. We'll probably have a planning committee for the opening.

Councillor Kablutsiak:

- For next year, will we be getting a 3<sup>rd</sup> water reservoir?
  - SAO Response: it looks like the water plant may be pushed back by another couple of years.

Councillor Savikataaq Jr.:

- We can't even get a second arm fill at the reservoir?
  - SAO Response: I would push for it but the plant doesn't have the capacity to pump any faster than what it does now.
- The bridge near Manik's cabin, where all those culverts are just beyond landing lake, I wonder if it would be usable on that wash out road just before the bridge?
  - Mayor's response: We have been looking at it as it is difficult on during early spring.
