Councillor Issakiark

- Says; One of the council and I talked about the organizations that will held the derbies this year. We thought it would be great for the residence of Arviat make a payment for the fee to the Hamlet. On the other hand make changes to no fees for all residence. We also saw other communities that they have only a day derbies with time limit so that they won't waste fish. As council we can talk about this for the next event in the following years.

Councillor Alareak

- Says; There's three grave's that are located at the reservoir I've been meaning to ask if the graveyards can be moved to the graveyards. For the coming years if there will be any consideration that will be brought up to be built located over at the bridge area.

**Councillor Komakjuak**

- Says; I just wanted to say thank you to all the Public work workers for their hard work with the roads and clearing out the snow in our Community
- Says; I am hoping the arena can be open a little longer as we just open to the public just recently. And maybe if we can get an artificial ice so the hockey season can be all year round, as boys not only boys also men's loves hockey here in Arviat. It is always good to see people are very happy to have the Arena opened.

**Deputy Mayor Kidlapik**

- Says; I've seen a lot of birds are killed by the kaibyaititaq, I was just wondering if qamutjuaqtalik is being well looked after with heavy equipment workers.

**Councillor Caskey**

- Says; to extend the hockey season, we can ask the heavy equipment operators to open an ice, even though they're very busy with this snow after the blizzard. I am sure they can pull up something together to get an ice for this season.
-
