Would like to see minutes posted for the public to view.
SAO: Once minutes are approved, they can immediately be viewed by the public.
Approved minutes are also posted on the hamlet`s website.

- Councillor Tattuinee
The airlines have been terrible. Most flights going out have been cancelled resulting in medical appointments cancelled. This is all due to the runway in Rankin Inlet. Something needs to be done or get the old route through Churchill back.
- Councillor Issakiark
I would like to recognize Maria Illungiyok and Pauline Copland for volunteering to coach the girls soccer team. Even though they have their own families to take care of and NTEP on the side, they make time to coach these girls.
- Councillor Komakjuak
Agrees with Councillor Issakiark. Wonders if they'll be getting any funding for their upcoming tournament.
- Councillor Savikataaq
 - Wondering if the CEDO found any finding for the district education authority.
 - First Air truck – would like to have it moved as it is taking up parking space at the airport.
SAO: emailed First Air, the vehicle will be moved and they will be charged rent.
- Mayor Leonard
The Governor General will be coming in next week. There will be a meet and greet with them here at the chambers. The schedule will be given to the councillor as soon as possible.
