summer, because we did not have a stop sign installed at an intersection, we now may have a costly flight on our hands. Though we have insurance, if we lose we could see our insurance costs increase. -by allowing vehicles to operate on the roads without registration or insurance, if anyone is seriously injured or killed, there is a chance we could be held liable. This is the reason for requesting for the Bylaw to be passed requiring snowmobiles to be registered and insured.

-Due to the lack of parking stalls in the garages I have taken a serious look at what can be done to solve some of our problems. The garage called the 6 bay is actually two 3 bay garages, remove the walkway and make one a parking stall and the other side a cold storage.

-We are having alot of problems with the overhead doors and would like to install electric openers, estimate cost is \$15,000.00.

-Spoke with Shirley Tagalik about a position that is advertised by the Embrace Life. This position is offereing \$30,000.00 and she suggested that the Hamlet apply for the funding and top up the Wellness Director position.

-Considering hiring a Council Clerk, this person would work when required. This person would be at all Council and committee meetings, take Minutes, translate, prepare meeting packages and be the secretary for the Council and SAO. -unsuccessful at receiving applicants for the Director of Community Works, would like to advertise in the south.

-We are now prepared to fill the receptionist/MLO as one job; 50% of the funding would come from the Government of Nunavut

-Romeo Okatsiak would like a letter of support to become a Justice of the Peace
