8. Mayor’s Comments and Members’ Topics & Concerns

Councillor Anoee Jr.:
- Congratulations Mayor Leonard
- RE: Elections

  Observed the elections and noticed some irregularities during the campaign. For example, a candidate offering a cash reward or some item if he/she gets elected. He suggests that every candidate should be given some sort of rules (flyer/brochure) of what a candidate can and cannot do during campaigning in the future.

Councillor Alikaswa:
- Congratulates the Mayor and new Council members.
- RE: Search & Rescue

He would like to inform the council that there are no other members on the Search and Rescue team except himself since another member stepped down recently. He explains that he cannot be on the team alone and therefore surrenders the keys to the SAO and steps down, so there is no longer a search team in Arviat. The stress level is too high to take on the responsibility of the Search & Rescue team alone. He suggests that the new council look into this in the New Year.

Councillor Uppahuak:
- Congratulates Mayor, Bob Leonard and the new council members.
- RE: Social website concerns

Mayor, Leonard:
Agrees with Councillor Uppahuak. As Council, we need to look further into this in the new year.

Councillor Ubluriak:
- Thanks the Hamlet that he was able to participate as one of the candidates for Mayor
- As candidate, he was informed about what the residents of Arviat want and would like these to go forward into the future.
- Suggests that the Hamlet of Arviat propose for more funds from the GN in the new year

Councillor Caskey:
- Thanks the electorates of Arviat for giving Nathan another year on Council, and Merry Christmas!

Mayor Leonard:
- Thanks Councillor Alikaswa, Councillor Ubluriak, and Deputy Mayor Aglukark Sr. for all their time and effort, you all participated well on Council.
