**8. Mayor's Comments and Members Topics & Concerns**

**Deputy Mayor:**

- Canadian Coastguard Auxiliary expanding in Nunavut and believe they will be coming to Arviat.

**Councillor Caskey:**

- Entry area at the hall, since we are hiring a bunch of summer students, instead of making a smoking area, we should be beautify the entrance. Maybe put in picnic tables and make it look nice.

**Councillor Issakiark:**

- Wondering who hires bingo workers when it comes to hamlet bingo.

**SAO:**

- Will have a talk with the supervisors. I had left it up to them and I know that whoever we hire, there is always someone who will complain.

**Councillor Komakjuak:**

- After storms, I see the loader drivers dumping snow corners around the stop signs. Also around the garbage cans.

**SAO:**

- The foreman has a list of priorities and I know that those are on the list of their things to do.

**9. Business arising from previous minutes**

**10. Correspondence, Information & Petition**

- Team Ussak Letter – Requesting funds to cover food and water. They're requesting \$500. There is an unwritten policy that the council only supports youth travelling outside the community for sports.
- Nunavut Sivuniksavut Letter – Financial support. SAO suggests \$200 for each student from Arviat.

**Motion # 30/2016**

**Moved by:** Councillor Caskey

**Seconded by:** Councillor Issakiark

Be It Resolved that the Hamlet Council approves to donate \$200 for each Nunavut Sivuniksavut student.

One abstained.

**11. New Business**

**12. Committee Reports**

**13. By-Laws**

- By law – Garbage Rates. There is room to raise revenue to roll out our waste management plan. This could be a tool next year to review these rates. If we increase the resident rates, there will be little or no difference. The businesses need to pay their fair share because they produce the largest amounts of waste and garbage.

**Moved by: Councillor Caskey**

**Seconded by: Councillor Tattuinee**

**Be It Resolved that the Hamlet Council approves to adjourn the Regular Meeting of Tuesday, March 8, 2016**
