RCMP – Annual Report

5. Review & Approval of minutes

6. Declarations of Conflict of Interest

7. Operational Matters and Reports

SAO Report:

- Old hamlet office update: expression of interest for rental and an expression of interest to sell.
- Informed the council that the Arviat Search and Rescue Chair and Vice-Chair had taken the S&R snowmobiles to Whale Cove for the weekend. Informed the council that the snowmobiles will now be kept in the hamlet garage. They would also like the SAO to attend their meeting next week. Also to write up a policy for them explaining if this happens again, they will automatically terminated.
- Canadian Coastguard Auxiliary Meeting
We are happy to say that there will be a coastguard auxiliary meeting here in Arviat this August. All they ask from us is to supply a boat and motor. They would like to say that they will not be here to enforce people to use life jackets but they will certainly supply them.
- Growing North Project – greenhouse project. Not a traditional greenhouse. This greenhouse would produce a lot more produce. This is a tremendous opportunity.
- Waste Management Plan
- Bingo staff – will have a meeting with the staff.
- 50/50 ticket draws. Suggest the council to “OK” this but have a limit to give one license per month.
- Development permit lots 832-837 plan 4377

NHC has applied for development for lots 832 to 837 plan 4377 the planning and lands department has reviewed the permit and site plan and found no violations and that the 5 plexes fit within the zoning setbacks. As well they have active leases on each lot and have fully paid the equity price. Planning and lands department recommends to approve the developmental permits.

Motion # 34/2016

Moved by: Councillor Caskey

Seconded by: Councillor Issakiark

Be It Resolved that the Hamlet Council approves the developmental lots 832-837 plan 4377

One abstained.

8. Mayor's Comments and Members Topics & Concerns

Deputy Mayor:

- School break is coming up. I would like to know if there will be any activities for the kids. For example, at the arena. Or if not too late, an outdoor rink.
- Training of the staff at the hamlet. MTO for new staff. Have they taken any courses or have MTO been useful in that matter?
- Snow clearing – have the main areas been completed for the snow removal? Blind spots and main areas.

Councillor Caskey:

- Parking near the Northern in front of the fire hall. Blocking way for the firetruck. Poor state and poor location for the fire hall.

Councillor Tattuinee:

- Mentioned that the deputy mayor made a good comment about the outdoor rink. Also for the blind spots, it is scary to drive in the areas. There is another one near Michael Ivu's, I'm not sure what we can do about it.

Councillor Komakjuak:

- Blind spots – where they dump all the snow, for example near the Glad Tidings Church. It would be great if they cleared that area because there's been a couple times where they almost hit me.

Mayor:

- AEM has given well over \$1 million dollars. I would like to ask council if we can give them a gift in appreciation for all that they have done.

Motion # 36/2016

Moved by: Councillor Caskey

Seconded by: Councillor Tattuinee

Be It Resolved that the Hamlet Council approves to buy a gift for AEM for their contribution to training programs.

-Carried-

- The Governor General will be here the first week of May. They will be here the day and overnight. We will try to set an agenda on that.

9. Business arising from previous minutes

10. Correspondence, Information & Petition

- Special Constable Project – Deborah Webster
- Letter from Eva Gibbons – she would like the hamlet to recognize Thomas Nibgoarsi for saving her daughter's life.

11. New Business
