- -Andrew Gamble will be arriving March 26, 2009 and meet with the Mayor and the Economic Committee
- -A statement from Moosonee Transportation was found dating back to 2003. This statement shows that the Hamlet has an outstanding amount of \$14716.11. The principal amount is \$9564.82, the remaining is interest. The AP clerk was advised by previous SAO Cary Merritt not to pay the invoice. So the interest has been building up since 2003.

- -Deputy Mayor asked about the insurance claim. SAO replied it was back in August 2008. Asked if Lynda Johnston was hired. SAO replied that she is volunteering her time. Is there funding available from MTO to pay her? SAO replied there is no funding available. Regarding the plastic bag that is a good idea, should do a public awareness. Will the DEA meet with the daycare committee?
- -Councillor Aglukark Brian asked about who were the finance staff in 2003? SAO will have to look into it. Asked why there was a concern about the DEA meeting with the daycare committee. SAO replied that it has got to do with the Brighter Futures Funding.
- -Mayor Leonard asked about the safe. SAO replied that the safe they have now is only a fireproof.

## 10. Correspondence, information & petitions

- a. Marc Cool BBE Winnipeg, accepted as information
- b. Bradley Williams, Alliance Church requesting for donation to bring a performer to the community. Greg Wood is an illusionist with a message. Mr Wood's performs illusions with themes of drug prevention and bullying prevention. Councillor Aglukark Brian and Councillor Aglukark Sr very concerned about the magic performances. Councillor Aglukark Brian has had personal experiences in his life and feels that the magic performances might lead to something else. Councillor Price also concerned about the performances but also believes that the message of bullying, drugs and alcohol would be good for the children.
